

ARRIVING/LEAVING MID-DAY DURING SCHOOL

Parents are asked to cooperate by not disrupting the school day schedule. Please schedule appointments outside the school day or make prior arrangements. If late arrival or early dismissal is necessary, parents must come to the front office and sign their child/children in to or out of school. If in an emergency, someone other than the parent/guardian needs to pick up the child, the Authorization to Pick up Children form must be completed, and the person authorized by the parent/guardian must follow the same procedures to sign the child/children in to or out of school. Anyone, including the parent/guardian, on the authorization to pick up children form, may be required to show identification when picking up the child/children.
